Re: *Columbia Gas Transmission, LLC*, Docket No. RP12-____-000
Penalty Revenue Crediting Report

Dear Secretary Bose:

Pursuant to Section 19.7 of the General Terms and Conditions (“GTC”) of Columbia Gas Transmission, LLC’s (“Columbia”) FERC Gas Tariff, Fourth Revised Volume No. 1, Columbia must file a report with the Federal Energy Regulatory Commission (“Commission”) within 60 days of the close of each Columbia contract year (November 1 to October 31) showing any Penalty Revenues Columbia has received during the contract year, any Columbia costs netted against the Penalty Revenues, and the resulting Penalty Revenue credits due to Non-Penalized Shippers for each month of the contract year.

In compliance with GTC Section 19.7, Columbia is providing the attached Penalty Revenue Crediting Report for the 2010-2011 contract year. As further detailed in the attached Report, Columbia collected from its shippers Penalty Revenues totaling \$1,250,337.35, inclusive of interest.¹ Columbia did not incur any costs that it would propose to net against the Penalty Revenues. Finally, the attached report reflects the calculation of the Non-Penalized Shippers’ monthly allocation percentage and their respective Penalty Revenue credits.² In accordance with GTC Section 19.7(c), Columbia allocated penalties collected each month to all shippers not assessed penalties during that month based upon those shippers’ monthly commodity volumes. Columbia included the applicable Penalty Revenue credits on the Non-Penalized Shippers’ December invoice for November service.

Columbia requests that the Commission accept this Penalty Revenue Crediting Report and approve the Report as reflecting the proper disposition of Penalty Revenue Credits pursuant to GTC Section 19.7.

¹ See Appendices A and C.

² See, Appendix B.

Columbia respectfully requests that the Commission grant any waivers which it may deem necessary to accept this filing.
